- A. SEAT
- B. BACKREST
- C. LUMBAR SUPPORT

STEP 1

Attach the Backrest to the Seat Base

Put the Backrest to correct position
and use the zipper to attach it to the Seat Base.

Proposition 65 Information

Q. What is Proposition 65?

A. You might have seen Proposition 65 warning labels at hotels, banks, restaurants, and even at theme parks. Proposition 65 is a California law that requires warning labels on products that may contain one of more than 800-plus chemicals or ingredients that the California Office of Environmental Health Hazard Assessment (OEHHA) has deemed to cause cancer or other reproductive toxicity. Chemicals and elements on this list include saw dust, brass, and other everyday substances, which can be found in very common household items, such as lamps, tableware, jewelry, crystal glasses, electric cords, beauty products, automobiles, and furniture.

Q. Why did I find a Proposition 65 warning on my furniture product?

A. This warning label is very common and can be found on almost every piece of furniture sold in the state of California. By law the state of California requires that we include a Proposition 65 warning on all of our products.

Warranty Information

Seatcraft is proud of its high standards of quality and workmanship that go into our products. The customer is protected by the following Limited Warranty, which applies to seats under normal indoor residential use. This warranty does not apply to seats used for commercial, institutional, or other non-residential uses.

ONE YEAR LIMITED WARRANTY: Seatcraft provides (1) one year comprehensive coverage for all components such as materials, foam and frame parts, and mechanisms including motorized parts from defective materials or workmanship.

MATERIAL: Normal fabric fading, shrinking, or stretching is not covered by this warranty. Similarly, the natural markings, stretching, and shrinking of leather is a proud mark of authenticity and therefore not covered by this warranty. Evidence of improper cleaning, abuse, or abnormal use of the materials will void this warranty.

FOAM AND FRAME PARTS: Seatcraft warrants these components for (1) one year from the time of delivery, against manufacturing defects. Foam compression is natural, and therefore not covered by this warranty.

MECHANISMS: Seatcraft warrants these components for (1) one year from the time of delivery, against manufacturing defects. After the warranty period, the customer is responsible for inspection, labor and transportation costs.

No warranties, express or implied, apply after the expiration of this Limited Warranty. The warranty period covers repair, substitution, and replacement. No returns or refunds are covered. A proof of purchase is required to service a claim; simply present the bill of sale to the dealer from whom the item was purchased, to request warranty service. Seatcraft is not liable for incidental or consequential damages occurring outside the terms of this warranty, even if advance knowledge of such damages was possible.
